LIFE Artina (LIFE 17 ANAT/HR/000594)
Seabird Conservation Network in the Adriatic

Action E.5: Dissemination of LIFE Artina project results

Projekt LIFE Artina sufinanciran je sredstvima Europske unije iz LIFE Programa.

Projekt sufinancira Ured za udruge Republike Hrvatske.

Projekt je sufinanciran sredstvima Fonda za zaštitu okoliša i energetska učinkovitost.

Published

Type: Poster

Authors: Dumbović-Mazal, V., Pintar, V., Zec, M., Ječmenica, B., Engelen, D., Taylor, L., Kapelj, S., Kralj, J. & Jurinović, L.

Title: Identification of marine protected areas for Audouin's Gull in Croatia

Event/ journal: 22nd conference of European Bird Census Council (Lucern Switzerland)

Year: April 2022

Type: Presentation abstract

Authors: Kapelj, S., Engelen, A. & Ječmenica, B.

Title: Utvrđivanje broja i veličine kolonija cjevonosnica na Lastovskom otočje

Event/ journal: Croatian Biological Congress (Pula, Croatia)

Year: October 2022

Type: Poster

Authors: Allinson, T., Serratosa Lopez, J., Vulcano, A., Clark, B., Staneva, A., Donida Biasotto, L., Celada, C., Gaibani, G., Gustin, M., Krogulec, J., Stasiak, K. & Bobrek, R.

Title: Offshore and onshore maps of bird sensitivity in relation to wind energy development for two European countries

Event/ journal: Wind energy and Wildlife impacts conference (Šibenik, Croatia).

Year: September 2023

In progress

Type: Poster

Authors: Fernandes, R. R., Austad, M., Taylor, L., Engelen, D., Opper, S., Psaroulakis, K. & Stefanakis, N.

Title: Estimating Yelkouan and Scopoli's shearwater colony size from number and duration of calls detected with a species-specific algorithm

Event/ journal: *Seabird Group Conference (Coimbra, Portugal)*

Year: September 2024

Type: Dataset

Authors: Engelen, D., Ječmenica, B. & Mihalić, I.

Title: LIFE Artina (LIFE17 NAT/HR/000594) - Sea transect data 2019-2021 - Lastovo Archipelago, Croatia

Event/ journal: *Global Biodiversity Information Facility (GBIF)*

Year: 2024

Type: Paper

Authors: Michel, L., Zhang, J., Asimakopoulos, A., Austad, M., Bustamente, P., Cecere, J. G., Cianchetti-Benedetti, M., Colominas-Ciuró, R., Dell'Omo, G., De Pascalis, F., Jaspers, V. L. B. & Quillfeldt, P.

Title: Assessing perfluoroalkyl substance pollution in Central Mediterranean breeding shearwaters

Event/ journal: *Environmental Toxicology and Chemistry*

Year: 2025

Type: Paper

Authors: Engelen, D. & Ječmenica, B.

Title: The avifauna of the Lastovo archipelago and surrounding sea area, Croatia

Event/ journal: *Larus*

Year: 2025

Type: Paper

Authors: Ječmenica, B., Taylor, L., Kralj, J., Engelen, D., Kapelj, S. & Jurinović, L.

Title: Spatial movements and habitat use of an opportunistic gull species in relation to their colonies.

Event/ journal: *Scientific reports* (in review)

Year: 2025

Type: Paper

Authors: Gatt, M. C. et al.

Title: Sex differences in foraging movements of breeding marine top avian predators of the genus *Calonectris* across their global range

Event/ journal: *To be decided*

Year: 2025/ 2026

Expected in the coming years

Type: Paper

Authors: Zec, M., Engelen, D., Handley, J. & Rajković, Ž.

Topic: IBA designation & marine SPAs Croatia

Event/ journal: To be decided

Year: 2025/ 2026

Type: Paper

Authors: Ječmenica, B., Engelen, D., Taylor, L., Kralj, J. & Jurinović, L.

Topic: Habitat selection of Audouin's Gull during the non-breeding season

Event/ journal: To be decided

Year: 2025/ 2026
